

THE BILGE PUMP

of the Queen City Yacht Club

VOLUME 80, NUMBER 5

MAY 2015

COMMODORE'S REPORT

MAY, 2015

Opening Day of boating season is here! All of the planning is complete. All of the clean-up, painting and planting is complete too. Thank you, Barry Rutten, for a well-executed Pride of Queen City! We're all sharing our beautiful club with our boating friends from near and far while we discover new friends that love boating as much as we do. What a wonderful event. Thank you, John and Debbie Hieber, for being the best Opening Day chaircouple ever. However, they didn't do this alone. Thanks to all the many volunteers that have shared their talents and given their time so generously to make this 2015 Opening Day a memorable event.

By the time you read this you will have noticed that the Dock 1 extension project has begun. Unfortunately construction had to start just before Opening Day to meet our permit schedule, but we're forging ahead trying to complete the project as quickly as possible. Thank you all for your patience during construction. Extra big thanks to P/C Bob Myers for hanging in there to keep this project moving ahead. An extra big thanks to Laurean Myers for sharing Bob's time for this project.

Our active membership is now at our maximum

Richard McGrew

of 400. This means the 1/2 off initiation fee new member incentive has expired. Thank you very much, Chris and Sandy Benson, for a job well done!

Last month was full of exciting events. Some events involved just plain fun. Some involved creativity. Others involved some level of physical activity. But all involved fellowship, cooperation and recognition for job well done. So, let's see... Children's Easter Party, Daffodil Marine Festival, Pressure Wash-A-Palooza, Winslow Spring Clean-Up and Pride of Queen City.

Thank you event chairs and all the volunteers that pulled together to make Queen City Yacht Club the star of the Salish Sea!

May brings us:

- ★ Blues, Brews and BBQ Saturday Social, May 9th.
- ★ New member Orientation, May 16th.
- ★ Memorial Day Cruise to Eagle Harbor, May 22nd through 25th
- ★ Opening Day festivities and events begin April 29th and go through May 3rd.

Please see the Queen City Yacht Club web page calendar for the most recent events and dates.

Still proud and happy to serve, the McGrew Crew is here for you.

—Dick McGrew, Commodore

THE QUEEN CITY YACHT CLUB

2608 BOYER AVENUE EAST • SEATTLE, WA 98102 • (206) 709-2000 • WWW.QUEENCITY.ORG

VICE COMMODORE'S REPORT

As of this writing we have returned from a great weekend at the Tacoma Yacht Club's Daffodil Festival. We had great weather during the trip to Tacoma and back as well as during the Sunday parade. We did have rain as we gathered for the trivia contest on Saturday. So, a normal weekend in the Northwest. A thank you to Don and Judy Wilson for volunteering *Hey Jude* as the Officers' Boat, Carol Soffel for leading the decoration efforts and Chuck Gould for the bagpipes. A special treat.

By the time you read this, Opening Day week should be well underway. This is the time of year where everyone gets to participate, from the cleanup at Winslow, Pride of Queen City and the many events of the Opening Day week. We will be involved in most of the official functions, which is one of the joys of "going through the chairs." We get to meet a lot of nice people and see how the other half lives. Thank you to everyone who volunteered their time and effort to make Opening Day such a fun event.

DUMPSTER: On a more serious note we have had a recent series of problems with unauthorized use of the club dumpster. The dumpster is

clearly marked with what can be disposed of and what cannot. Recently we have a TV, liquid paint and finally a U Line refrigerator left in the dumpster. Electronics, including TV's and computers, must be disposed of in accordance with city and state's "E Recycle" policies. You can find the nearest disposal site by visiting the web at www.ecyclewashington.org and entering your location. Disposal of paint in a liquid state is considered a hazardous material and must not be put in the dumpster. Latex paint can be hardened and then placed in the dumpster. Most major hardware stores and paint stores sell a product that will quickly cure paints for disposal. I have been told that cat litter will also do a good job, although I have never tried this myself. You can visit the Seattle Government website www.hazwastehelp.org/hhw/disposal-locations to find a disposal site if you cannot cure the product.

Finally the disposal of refrigerators is not authorized, as they "...contain chlorofluorocarbons (CFC's) which are regulated under the Federal Clean Air Act. These items cannot be disposed of and should be recycled. Recycling will insure that CFC's are safely removed for recycling or disposal and are not released

into the atmosphere." Our waste disposal company can and have refused to pick up our dumpster when they note that unauthorized material has been placed in it. This means that other members (House Committee) have had to dumpster dive, remove and properly dispose of your waste. You can find out more information about where to dispose appliances at <http://your.kingcounty.gov/solidwaste>. Failure to comply with these guidelines and rules can result in more serious problems. As I said at the beginning of this paragraph the dumpster has labels identifying what may be dumped and what may not. When in doubt do not dump.

—John Rogers, Vice Commodore

REAR COMMODORE'S REPORT

As always, April was a wild ride this year, with all the activities leading up to the Opening Day festivities. You know it's a busy month when you can't do all the Queen City activities because you're participating in other Queen City events. Such was the case the weekend of April 10-12 when our Fleet Captain, Chuck Gould, led a group of QCYC boats to the Daffodil Festival at the Tacoma Yacht Club. This fun event is always well organized and

well attended by most of the yacht clubs within the Puget Sound area. Besides the great food, trivia contest and live music, there was a boat parade on Sunday that topped off the weekend activities.

The problem was that on the same weekend at the Queen City main station there was also a docks Fun Day on Saturday, and the Pressure Wash-A-Palooza on Sunday. Good thing we had lots of vibrant and energetic volunteers who supported those events rather than participate in the Bacchus behavior at Daffodil. The Pressure Wash-A-Palooza was a new event

inspired by Pride of Queen City Chairman Barry Rutten and is sure to become an annual event that precedes the Pride of Queen City.

The Queen City landscape is looking as good as ever thanks to the efforts of MaryLousie Alving and her team of volunteers. Shrubs have been trimmed, posts have been painted and the seasonal annuals have been planted in the flower bed below the flag pole and in the shore side planters and the various potted planters. The goal now is to ensure things get watered over the summer when the weather is hot and dry.

Opening Day Chairman John Hieber has done an outstanding job planning and organizing for the multiple day event known as Opening Day. We will be in the throes of those events by the time this is published, but based upon my observations and all other accounts, we are poised to have the best Opening Day ever. Next time you see John, shake his hand and thank him for all he has done in support of the biggest Queen City event of the year.

As of April 8, we have achieved an elusive membership milestone. Queen City Yacht Club is now at full membership of 400 active members. Without the tireless efforts of Chris and Sandy Benson, this milestone might never have been achieved. The bad news for prospective new members is that the half price initiation promotion that was in effect until we reached full

membership has now ended. With all our new members, we have a new pool of enthusiastic participants for our upcoming events, and hopefully a large pool of volunteers when the need arises - and the need will arise! We have scheduled a new member orientation on May 16 for any recent new members to come to the club to receive additional information on QCYC membership benefits.

Speaking of upcoming events, we will barely be recovered from Opening Day and it will be time for Blues, Brews and BBQ on May 9. Chris Castrow does a fabulous job sponsoring this event and last year this was one of the largest events of the year. Based upon his prior success, we anticipate that this year will be more fun than ever.

Memorial Day is just around the corner with Don and Judy Wilson sponsoring the weekend at Winslow. These big weekends are a quintessential yacht club experience and Don and Judy really know how to host an event. The weekend should be really fun this year with all the new members

mixing with the longtime members who have been attending this event for many years. Hope to see many newly issued burgees flying over the Winslow dock this year.

—Dave Bedner, Rear Commodore

OUTSTATION REPORT

The annual QCYC/SYC Eagle Harbor Predicted Log Race was held recently, and Mother Nature decided to make it a more interesting race! Winds kicked up and people were scratching their heads and adjusting their predicted times. A good time was had by all, though, as stories were exchanged, plenty of beer, wine and good food consumed, and winds calmed for all those departing on Sunday.

A new emergency hospital was opened on the island late last summer. It's open 24/7, which is an improvement from the past - one used to have to drive to Silverdale or take the ferry to Seattle for any off-hours emergency treatment. Flyers and information on the clinic and its

QCYC Captain

location are located by the first aid station (between the pantry door and freezer) and behind the sign-in sheet at the desk as you enter the clubhouse. Emergency dental care and veterinary care flyers are also available at the sign-in desk.

By the time you read this, the annual Outstation workPARTY

will have taken place. We're making a list of things we hope to accomplish, and will let you know in the June *Bilge Pump* how well we did!

SaltSpring Marina, where our Ganges Outstation is located, has a new lighted walkway to town. And as a Marina guest, you will

receive a taxi voucher if you are not up to walking back with your groceries and other finds. We always visit this wonderful town and facility when we're in the Gulf Islands. Just call ahead for reservations and please remember to cancel your reservation if it looks like you cannot arrive when planned – you'll be billed as a no-show if you don't.

Winter moorage at Winslow ends May 15th, so visiting members can tie to the inside of the "U" as well as the outside. This should allow room for everybody to tie to the docks. The exception to this is on the BIG weekends such as Memorial Day, July 4th and Labor Day. All of those events are well attended and worth coming to, especially if you've never done it before – they're among the club's biggest events!

The club is planning to remodel the bath and shower facilities at the Bainbridge Outstation this next winter. We would like the work to be done in a typical business fashion by a licensed, bonded contractor - hopefully a club member. So if you know a club member who qualifies and is interested, please have them contact a member of the Outstation Committee ASAP to discuss next steps.

And here's some good news: In an attempt to preclude unneeded confusion, Captains Denny and Dale Ward have agreed to be Outstation Managers while we're gone this summer. As long-term members liked by all, they will help acquaint new members with the facility and will be solely responsible to the bridge for the Bainbridge Outstation's management. So be sure and ask them how you can help!

Happy cruising,

—Barb Wood

DOCKS DOIN'S

The QCYC Docks don't look like this!

What prevents that? Our members turn out regularly to maintain the marina.

★ Next Docks Fun Day: May 9, 8:30 AM, second deck, free breakfast.

★ Next Docks Committee Meeting: May 5, 6:30 PM, second deck, free pizza.

Come join the fun, meet new friends, and continue to ensure that our docks never look like the "facilities" in the photo.

Tarettes' Corner

PRESIDENT'S REPORT

This newsletter will most likely be available by Opening Day weekend, so I greet you and look forward to seeing many of you at events sponsored by both Queen City and Seattle Yacht Clubs. Don't forget to check in with Vice President Becky Garvie and offer to help at the Sunday morning breakfast, which is served by the Tarettes. There is always a need for people to step in and do small tasks.

After we have rested from the flurry of Opening Day activities, we have the opportunity to participate in the South Sound Women's Boating Seminar on May 16, which is held at Olympia Yacht Club. The cost is \$35, which includes lunch. Register individually at www.ssssclub.com and notify me so I can make sure you are part of the carpool and/or wish to make a mini-weekend of it. Some of us will be leaving Friday afternoon to enjoy a "girls' night" at a local hotel before the Saturday seminar. The class will cover many topics we embrace with our "Women at the Helm" theme.

BY-LAW CHANGES PROPOSED

In the fall we initiated the process of changing the Tarettes' by-laws to reflect a more accurate format for the organization under current circumstances. The process has continued and will be discussed at length, and perhaps even be ready for a vote, by the

May 20th general meeting.

It is vital that each and every member study the proposals that will be sent out and participate in the decision-making process. I am sure that the founding members in 1943 anticipated that the Tarettes should regularly examine the by-laws to be sure they are relevant in each era, just as they were for them in the beginning. Our goal is to continue to thrive as an organization, not only as an auxiliary, but as a vital partner in the life of Queen City Yacht Club. The proposed by-law changes will simplify and streamline our organizational structure.

In addition to the by-law changes, we will also be voting on our new slate of officers. Please attend this meeting: it will be important to the future of the Tarettes!

YARD SALE IN JUNE

Looking ahead, Diane Prestebak is again chairing the fabulously successful sidewalk yard sale, which is scheduled for Saturday, June 6. This is a great time to look through those closets, garages, boats, and lockers for items that really need a new home. You can rent a table, enjoy fellowship with other sellers, make money, and help the Tarettes (and the club) all on the same day. The Taco and Tequila Dinner following the yard sale is a fun time as well. Remember, the Tarettes receive a portion of proceeds from bar tickets sold that day from 10 AM

through 4 PM, so be sure to stock up and help our budget.

Ladies, it has been a delight to spend these past months as your Tarettes' President and I look forward to the final weeks of my term, planning and participating in activities with you. Please make every effort to attend and enjoy our potluck fellowship along the way.

Happy boating to you all.

—Margaret Krows,
Tarette President

VICE PRESIDENT'S REPORT

Last month we attended three WIC lunches. Meydenbauer Bay YC presented Bear Necessities with Chris Morgan, who has done numerous documentaries on wildlife and particularly on bears. At the Edmonds YC luncheon, we were entertained by a magician, and at the final luncheon at Bremerton YC we enjoyed the creativity of Echo Art Works and wonders of beach glass. The next WIC luncheon is on May 14 at Rainier YC. Save the date: details to come.

The Tarettes have donated two baskets to support Opening Day expenses. For the Dock Party hosted by Bill Buller, the Tarettes donated a "get ready to cruise for the summer" basket, filled with everything a well-equipped boater needs for the summer, including a laundry basket filled

with quarters to do laundry or take showers, laundry soap, softeners, bags and beer to drink at the laundry mart (it make the time go fast), fly strips, mosquito repellents and fly swatters. We also donated a "martini basket" with everything for an Opening Day martini party – including cosmos and lemon drops. Get your tickets to win.

I want to thank all those who donated items and Sisteer Lentgis, who is our expert in putting these baskets together so they become the successful fund raisers they are.

Two "Women at the Helm"-related events are planned for this month: the May 9 Lake Union SeaRay "for women only" boating instruction and the South Sound women's day of boating seminars on May 16. I look forward to hearing how those who attended these events enjoyed them!

—Becky Garvie, Vice President

IT'S ELECTION TIME

Election of new officers and the board will be conducted during the May meeting, during which nominations will be accepted from the floor. The nominating committee has offered the following slate of candidates:

- ★ President – Becky Garvey
- ★ Vice-President – Joanne Pruesser
- ★ Treasurer – Gayle Frisch
- ★ Secretary – Open
- ★ Board: Shirley Rogers, Mary Jo Svendsen, and Margaret Krows.

DUES WILL SOON BE DUE

This is your "official" reminder that dues for the 2015-16 year will be due on or before October 1 and can be paid now! Active

members' dues are \$25. Life members can pay a \$10 publication fee if they want printed materials. Why not do it now, while you're thinking about it?

Through June 30, you can send your dues and/or fee to Dorothy Dubia, 7001 Seaview Avenue NW, Suite 160-20, Seattle, WA 98117, or place your check – NOT cash — (in an envelope) in the Tarettes' mailbox.

ANIMATED KNOTS

Want to become proficient at tying useful knots for the boat? Good news, there is an app for that! Check out this free web site that has easy to follow animated guides. www.animatedknots.com. An application for your mobile device is also available for purchase. Apple Store : Animated Knots by Grog \$4.99.

FLEET CAPTAIN'S SUMMER CRUISE SCHEDULE, 2015

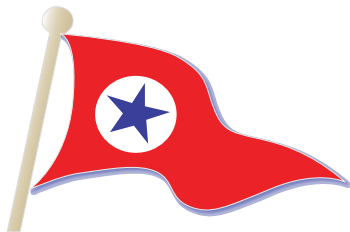

All QCYC members are invited to participate in one or both of our Fleet Captain's Summer Cruise Events. In various locations where we need to make reservations, we will initially reserve 8 berths. We will increase, or decrease, that number as reservations come in- or not. Please email the not-so- fleet captain (gould0738@aol.com) if you plan to participate in one or both of the cruises. If you plan to participate in only a portion of the cruise, please advise. We hope to get everything reserved, etc, by June 1.

Members not reserving space by June 1 are still welcome to show up, but they may wind up looking for moorage on their own at some of the marina-oriented destinations.

FIRST CRUISE: SOUTH SOUND

This cruise departs from the outstation following July 4 weekend.

Monday, July 6	Gig Harbor
Tuesday, July 7	Penrose State Park
Wednesday, July 8	Longbranch
Thursday, July 9	Jarrell Cove State Park
Friday, July 10	Olympia (Swantown)
Saturday, July 11	Foss Waterway (Tacoma)

SECOND CRUISE: SAN JUANS AND GULF ISLANDS

Friday, August 14	Oak Harbor
Saturday, August 15	Anacortes
Sunday, August 16	Deer Harbor
Monday, August 17	Sidney
Tuesday, August 18	Ganges
Wednesday, Aug 19	Ganges
Thursday, August 20	Montague
Friday, August 21	Poet's Cove
Saturday, August 22	Garrison Bay
Sunday, August 23	Fisherman Bay
Monday, August 24	LaConner
Tuesday, August 25	Langley

—Chuck Gould, Fleet Captain

HOUSE COMMITTEE

We need to do a better job on recycling. There are still waste items getting into the wrong container. We need to look at the waste container signs as to what can and what cannot be placed in the container. There are items like TV's, ice makers and waste paint that have been discarded in the waste containers in the past few weeks. These items need to go to SPECIAL waste facilities for correct disposal. The club has been doing a great job with food disposal in the galley.

—Jim Damery,
House Committee Chair

QCYC CLUB HOURS

Main Gate:	Open 0600 – 1900
Docks:	24 hour lockdown and card access
Clubhouse:	Doors open 0800 – 1800
	Member Access 0500 – 2400

ATTENTION MOORAGE MEMBERS!

When your boat insurance renews it is your responsibility to provide the club with an updated Certificate of Insurance to remain in compliance with moorage rules.

CHARLOTTE (CHARLIE) LAURIDSEN

1917 – 2015

Charlotte (Charlie) Lauridsen crossed the bar for the last time on February 12th of this year at the age of 97. Charlie was born on March 28, 1917, in Leavenworth, grew up in Everett and graduated from Everett High School in 1936. Under “Charlie’s” senior yearbook picture, the editors predicted, “She’ll always dance her way through life.” That was an exceptionally accurate prediction – literally and figuratively. Charlotte was definitely the “spunky” one of her family. As her daughter relates, “Charlie was NEVER shy. From early on she had her whole family wrapped around that little finger of hers and the others always bent to her schedule, her will, and her desires. Such power!”

Charlotte was a talented dancer from an early age, appearing on stage for the opening of Seattle’s Fifth Avenue Theatre in 1926 at the age of eight. She went on to dance in many Everett events. Charlie then went on to attend the University of Washington, where she majored in art with a minor in dance (a dance major was not available) at UW. She was a member of Chi Omega Sorority at the University. She had her own dance studio in Snohomish when she left college after two years of study. She told great stories of taking the train to Snohomish three days a week to teach the local children their ballet and tap and try to help the lumberjacks learn a little bit about ballroom dancing. Charlie’s daughter writes “These were some of the many adventures of our ‘energizer bunny’ mom.” We are happy to remember that she had more than 97 years of a happy and healthy life and a natural, peaceful death. Charlotte’s spirit was more adventurous than it was conventional. Other early adventures included climbing out her bedroom window, crawling over the porch roof to drop to the ground, swimming out to navy ships in Everett harbor with girlfriends to tease the sailors.”

In June 1941 Charlotte married Harold Scheldt, her high school sweetheart and fellow Husky. Harold (Hec) worked in the purchasing department at Boeing and while they were in Seattle, the couple had three children, Priscilla, Coburn, and Stephen. Being the adventurous sort she was, Charlie agreed to her husband’s plan to move the whole crew to Wichita, Kansas, in 1951 for him to start his own company. We’re talking a cross country trip in December in the 1950 Ford with a baby in diapers, a

mom who’s 5 month pregnant, and rambunctious 8 and 5 year olds in the mix. The woman had spunk and energy! Raising the children in Wichita was good, but the Seattle area was always home and the family returned there for many summer delights with the relatives. Charlie continued participating in pranks with the Scheldt family brood that are too numerous to mention

Charlie divorced from Harold in 1967. After Charlie’s divorce, she returned to Seattle with Janet and Charlie was introduced to Ernie by her former in-laws (his neighbors of many years). Ernie and his Charlie married on June 18, 1971, and he was her loving and fun-loving dance partner and husband until her death forty-four years later. With Ernie leading the way, they engaged in all the activities at Queen City Yacht Club, toured the country in their RV, belonged to an active RV group, and, when they became Ford Model A owners, were active in a Model A club. During this time Charlie ran her interior design business (Design Trends) that focused on designing boat interiors for QCYC friends and helping people who were downsizing out of large homes.

Ernie joined Queen City in 1969 and he and Charlie immediately became active in social events at the club. Carolyn Rolstad writes “I remember Charlie and Ernie fondly. We had a lot of fun with them over the years.” Charlie was involved in the productions of the Bremerton Heavy Weather Skits we used to put on. She was very active and did a lot when she was Tarettes president (1984-85). She was instrumental in refurbishing the ladies lounge and restroom (the old one). She had been an interior decorator and she used her skills to turn the ladies room into a comfortable gathering place for the ladies. It also became a dressing room for the performers (including the guys) when we did the skits and Entertainment Night productions. She was a very energetic lady and was always helping out wherever she could. With perfect health and great partners Charlotte did indeed “dance her way through life.”

Charlotte leaves devoted husband Ernest W. Lauridsen, children Priscilla Richardson, Coburn Scheldt, Stephen Scheldt, Janet Minehan, six grandchildren, three great grandchildren, two sisters-in-law, one brother-in-law and many nieces and nephews and their progeny.

Come to Queen City Yacht Club for Opening Day Fun, Food, and Entertainment!
