

THE BILGE PUMP

of the Queen City Yacht Club

SEPTEMBER 2014

COMMODORE'S REPORT SEPTEMBER, 2014

It is hard to believe this is my final *Bilge Pump* article. My oh my, how times flies.

I hope you share my sense that our club has flourished during my tenure. Our membership is 9 away from capacity. Our spouses have fully embraced unified membership as captains. Our marina is in full compliance with Seattle's rigorous fire code. The mainstition electrical replacement project is nearing completion. Our membership product line has been broadened to include Intermediate Membership with the welcome of 16 second generation members. Our Dock One extension plans and permits are nearly completed. Our BI outstation community was gifted with \$1,800 for the Winslow fireworks on the 4th. Our marina survived a "Ninja warrior" attack after 18 vessels were damaged and the roof fell in, and the commodore got to have a bigger, better boat named *Endurance*.

Our all volunteer club is anchored by the most wonderful group of folks who said, "Sure, Bob, I'll help" and fantastic co-fleet captain-led cruises-second to none! From New Year's Eve to Daffodil Festival to Opening Day to the Memorial Day, 4th

Robert F. Myers

of July and Labor Day celebrations at Winslow, great, great people putting together fantastic experiences making family and club memories. In paving the way for event chair success, we now have in place "*Guidelines & Checklists to Hosting an Event.*" Hardcopy is available in the QCYC Office for checkout and will soon to be on the Web. Our hope is that the volunteer initiative will continue to be a priority and carried forward. Thank you to each and everyone!

Our club is in the process of embracing new members while continuing to honor established members. Our bylaws and governing decisions must be made with wisdom that mutually meets this challenge with forward vision for the next 20 to 100 years as we navigate today's course. Remember that old saying, "Make new friends but keep the old... one is silver and the other gold..." with dignity, respect and honor for all.

We are very excited about preparing for the upcoming Centennial Anniversary. Happy 100th Birthday, QCYC! The entire Puget Sound region will be celebrating this golden legacy. You are cordially invited to contribute time, energy and effort to this preparation. It's YOUR club.

My time going through the "chairs" is coming

to an end. My hope is that we have positively influenced our club and charted a stable course for growth and success not only for today but for the next 20 years.

I need to thank my lovely "Commodorable" Laurean for standing by my side and for the passion, energy, time and effort she has given to the club.

I cannot thank V/C Dick McGrew and Teri, R/C John Rogers and Shirley, Secretary Eric Wood and Barb and Treasurer Jan Gould and Chuck enough for their stellar support. A warm welcome is extended to R/C elect Dave Bedner and Michele. With our new bridge, I am confident we are in good hands. I look forward to my new role as P/C and BOT member for the next year.

I could fill the *Bilge Pump* with thank you's. Instead, I invite all of you to the *Commodore's Thank You* party on September 14th from 5 to 7 PM at the club for hors d'oeuvres.

On October 4th please join us for "A Nautical Gala" to honor our 100th Commodore, Dick McGrew, and First Lady Teri at the Commodore's Ball. RSVP to Deborah early because this event sells out quickly.

Laurean and I wish to thank everyone for the outpouring of support and prayers this last month in this most difficult situation with our son, Jason.

VICE COMMODORE'S REPORT

Teri and I had a wonderful summer. We cruised north into the San Juan Islands along with two other family boats. At one time we had 17 family members in our McGrews Cruise at Roche Harbor. I'm proud to say we have had three generations together that celebrated cruising to Roche Harbor since 1961. Our cruise was highlighted by the remembrance of my mother's life while we sprinkled her ashes upon the waters of Reid Harbor, her favorite place in the San Juan Islands.

Our two week cruise ended at the Grand 14 Cruise-In hosted by Port Orchard and Bremerton Yacht Clubs, August 8-10. The new Rear Commodore group, class of 2017, formed at BYC and took the Kraken (a legendary sea creature of gigantic proportions) as their mascot. They are an enthusiastic group that will serve their respective yacht clubs and the Grand 14 with professionalism and zeal. R/C elect Dave and Michele Bedner will have fun with their group.

Teri and I want to thank Commodore Bob and Laurean Myers for their guidance and support this past year. Last year I said it will be hard to fill Bob's shoes as V/C and it still applies today as I prepare to fill his shoes as your next commodore.

I am looking forward to serving as your commodore with V/C John and Shirley Rogers and R/C Dave and Michele Bedner on the bridge. As we approach our 100th anniversary we have many fun events planned for this coming year.

The dock electrical upgrade will be finished soon and the extension of Dock 1 is still on track. With (soon to be P/C) Bob Myers' help, construction should be started in a few months.

I want to thank Captain Jeff Madera for his work as moorage chairman this past year. He has done a great job keeping our moorage at

maximum occupancy throughout the year.

The Docks Committee: Captains Chuck Gould, Ron Stevenson, Mary Rose Diefenderfer and Dick Dow have done a fantastic job keeping our beautiful marina in tip-top shape all year. Thank you all very much.

The House Committee: Chairman Captain Jim Damery, P/C Jeff Ewell, Captains Jeff Purvis, Bob Prestebak, Orrin Phillips, Gary Fisker, Gene Cotton, Gordie Foote and P/C Carl Weiss have all done a terrific job keeping our wonderful house well maintained and upgraded for the enjoyment of all. Where would we be without your efforts? To you all I say, "THANK YOU."

Where would we be without our Outstation Committee? At Winslow we'd be battling weeds in the uncut grass, plugged toilets, dirty showers, broken water pipes on our docks, no flowers in our garden and up north we'd have no current lease at Deer Harbor or Saltspring Marinas... need I go on? Barb and Eric Wood are the best and have done an outstanding job of tirelessly keeping our remote assets in splendid shape this past year. Thanks for leaving us work lists in your absence too. Thank you, thank you and thank you.

Our members... Where would we be without all your volunteering efforts this past year? The events: cruises, parties, socials, committees, etc., would never have been as fun, run so smoothly or maybe even happen at all if it weren't for your never ending and tireless efforts. We all owe ourselves a bucket load of thanks. Especially from Teri and me, "THANK YOU ALL."

REAR COMMODORE'S REPORT

Time, time, time: where does the time go? It seems like just yesterday I started my term as Rear Commodore and here I am writing the last report of my year. As of this writing we have been to our second summer Officers' Cruise-In. We had a great time at Port Orchard and Bremerton Yacht Clubs welcoming in the new class of Rear Commodores. I'll let them share their class name. We have also been to seven Junior Officers'

Balls including ours and have seven more to go. We have two in September and two in October, so it will be busy.

This past year also saw us change boats. After 15 years we decided it was time to move on from our 40' Pacemaker and purchased a 42' Navigator Pilothouse. The Pacemaker was previously owned by P/C Russ Oberg, so it was in the club for 24 years. It served us well and will now have a new home in Tacoma. Thank you to Bruce Ramon who handled the sale of the boat. We have enjoyed a few weeks out on the new boat. This is the sixth boat that Shirley and I have owned, not counting a number of dinghies. I hope it is the last one.

With MaryLouise Alving's guidance the Grounds Committee has been working with a landscape designer to develop a plan to improve our grounds as we get ready for our Centennial year. The plan will be presented along with a spending recommendation to Planning and Finance and the Board. We hope that it gets

approved in the new budget. If approved look for some exciting renovations to the grounds landscape around the club.

Security and parking continue to be major concerns. We have had a couple of car prowls over the summer. Please be on the lookout for anyone who does not belong on the property. If you read the members forum' you will have seen a great deal of discussion concerning parking violations. I have personally monitored the parking lot and placed parking violation tags on cars. We have also had a volunteer monitor the lot and do the same. The major violation is lack of the parking tag. I think in some cases members have allowed guests to park in the lot when they have gone out boating. This shows a major disregard for the rules and is disrespectful of other members' rights. We have to recognize that we do not have enough parking for our members, especially during the heavy summer months and holiday weekends.

I have been looking at the cost to place boots on cars, however

I don't think the bridge or members want to be called late at night to come and remove a boot from a violator's car. I have also reviewed the practice of towing cars with a couple of our Grand 14 yacht clubs. Towing may open up a spot in the lot but does not solve the basic problem which is that we do not have enough parking for everyone during these peak summer periods. Being respectful of the rules and other members' rights is really our basic responsibility. I do welcome your comments and will pass them on to my fellow bridge and board members.

I would like to finish by thanking everyone who has helped us this past year. I would also like to welcome all the new members once again and look forward to everyone's involvement with the club.

FOURTH OF JULY THANKS

On behalf of the Ashleman (Rick, Sheri, Alex), Burgess (Greg, Karen, Zach, Emily, Ryan), and Schultz (Tom, Diane, Mariah, Garrett) families, a huge thanks to all that participated to ensure the event was a success. Dinners consisted of Greg's soon-to-be-famous, slow-roasted, rotisserie prime rib for 150+ people and Rick's smoked salmon with mango salsa. Greg slow roasted the five large prime ribs over the indoor barbecue. When the overhead duct fan quit working, Tom Schultz came to the rescue with some tricks to ventilate the building. In all, we went through over 80 pounds of salmon and prime rib. Carl and Stephanie Weiss took the lead in creating made-to-order "Ronnie's Omelets," feeding over 85 people.

Thanks to your generous donations, our fireworks donations exceeded \$1,600, making QCYC the second largest contributor to the Winslow fireworks display. A special shout out to Dollar Pot winners John Alving and Joan Preusser who each donated their winnings to the fireworks fund. Commodore Bob Myers managed to do some arm twisting and secured rides on the police boat for a select few that had winning raffle tickets.

A big thanks to Parade Chair P/C George Austin for ensuring that our parade participation went off without a hitch. It's always fun to see the kids having a great time riding on the QCYC float.

Jess and Linda Hill were in rare form with the duck races and the horse races—lots of fun was had by all.

Golf this year took on a new life thanks to Mary Ann Williams. Thanks to her generous donation, the first annual Dave Williams Memorial Golf Tournament was

held. Scott and Matt Grimm, Golf Co-Chairs, took charge and made the first a memorable event complete with a perpetual trophy.

Although she wasn't present, Barb Wood was especially helpful in stocking the outstation, ensuring extra garbage and recycling pick up and answering my many questions.

Our super volunteer teenagers Alex Ashleman, Emily Burgess and Mariah Schultz were truly amazing helpers. They all pitched in and helped out with cheerful attitudes and little direction. If they saw something that needed to be done, they jumped in and handled it.

We tried out using multi-meal tickets, which seemed to work

well thanks to Jim and Carol Dorney, cash counters extraordinaire. Ticket sales went off without issue thanks to their patience, cheerful smiles and hard work.

We had lots of help throughout the event and couldn't have done it without all of our great participants. We had over 60 people assisting including: Austins, Bartons, Bedners, Bixbys, Chmelas, Corffs, DeCooks, Dorneys, Garvies, Grimms, Hills, Johnsons, Knutsens, McLeans, Millers, Myers, Obergs, Ohlstroms, Preussesr, Rolstads, Rantas, Shocks, Stiches, Wards and Weisses.

Apologies to any of you that I missed.

—Rick Ashleman

DAVID BRIAN CARLSON

1965 – 2014

Captain Dave Carlson crossed the bar for the last time on June 16, 2014, at the age of forty nine. Dave was born March 1, 1965, and was a true Seattleite, growing up on Capitol Hill and living here to this day. He passed away of a heart attack doing what he loved, hiking and being in the outdoors.

Dave graduated from Blanchet High School in 1983, then headed for WSU and graduated with a BA in business in 1987. While there he joined Phi Delta Theta and met Betsy, who was a member of Alpha Gamma Delta. Interestingly, although they knew each other, they didn't date while in college. Dating came after graduation, the result of her cousin, also a Phi Delt. Dave and Betsy were married in April of 1991 and had a great marriage with two daughters: Hailey, currently an Alpha Gam at the University of Washington and Rachel, a new Seattle Prep graduate heading for Gonzaga.

The Carlson family lived their early life in the Green Lake neighborhood and when the kids became school aged moved over to the Windermere neighborhood. They have stayed faithful members at St. Bridget's Catholic Church. Betsy writes: "Devoted to his three girls, he constantly set an example of how to be an amazing husband, father, son, brother, friend and Catholic." (He often referred to his beloved dog Maggie as his third girl!) Never having a bad word to say about anyone, David was the best father and husband that anyone could ask for.

After graduation, Dave started his career working in the new cell phone industry for Excellar Co., where he worked for a couple of years. He then joined his dad in the insurance business and never left it. When his dad retired, Dave purchased Carlson Insurance and managed it for twenty plus years. In 2000, Dave bought Lentgis Insurance from

Dean (when Dean was preparing to retire) and merged it into Carlson Insurance. Dean stayed to help Dave during the transition period and then, at Dave's request, decided to stay on board permanently. Dave's work ethic was constantly celebrated by his peers through various awards. He had many passions in his life that included traveling, boating, his business, being a soccer "Boyo," playing two times a week, watching ANY Cougar sport, and, most of all, spending time with his family. His positive outlook on life was infectious and resonated with all those who came in contact with him. Dave loved outdoor activities, especially with his daughters. Dave was quite a runner, having run seven marathons, two in NYC, two in Houston and three in Seattle.

Dave joined Queen City in 2008 and quickly made many friends in the club. He was a regular at Friday Lunch and his family enjoyed Winslow and the club cruises to the outstation. He and Betsy owned a 36' SeaRay and loved family cruising in the San Juan Islands, annually going up in August and finishing their cruise at Roche Harbor for a few days.

For someone who left us so young, he lived a truly full life. Betsy writes: "We were blessed to have him in our life for as long as we did." Queen City members feel the same way.

He is survived by Betsy, his loving wife of 23 years; his three girls, daughter Hailey (20), daughter Rachel (18) and "Maggie," his dog; his parents, Bill and Ruth Carlson; and sisters, Sue Campbell (Ron), Kathy Christman (Bill), Margaret Harder (Mark), Chrissy Jensen (Lance); and many loved nieces and nephews.

Tarettes' Corner

PRESIDENT'S REPORT:

A NEW WAVE FOR THE TARETTES!

Did you have a fabulous cruising season and/or summer with family and friends? I hope you experienced the wonder of our fabulous Northwest waters and scenery. Dave and I visited Princess Louisa Inlet and Chatterbox Falls for the first time in fourteen years and were touched again by the majesty of nature. We are truly blessed to live in the midst of grandeur in our region.

The Tarettes are looking forward to a new era for Queen City women this year. We cherish our historic roles as social and philanthropic leaders; however, we are striving to broaden our skills as boating women.

FIRST MEETING: SEPT. 9 — SEE WHAT WE'RE ABOUT!

ALL QUEEN CITY WOMEN ARE INVITED to participate in the programs scheduled for the coming 2014-2015 season. You will find the association with fellow ladies interested in boating fun and challenging.

Even if you have passed on membership in the Tarettes for a long time, I encourage you to attend our first meeting, Tuesday, September 9, for an evening of food, fellowship and sharing a vision. Our kick-off dinner meeting does come one day before the general club meeting, but it will be well worth your time to attend. We will announce our new exciting theme for the year and some planned events. There will be a social time beginning about 5:30 with a "build your own salad" buffet at 6:00. Tentatively, a member artist will display and talk about her handcrafts. The business meeting will be at 7:00 or earlier if the meal is finished. We are all busy so we want to be mindful of time and not keep anyone too late.

Please contact me at 425 488-3202 or mmk-rows@aol.com if you expect to attend the meeting

September 9 so we can have plenty of luscious salad "fixins" on hand. Reservations are NOT needed, just helpful for planning. Come one and all!

STEAK FRY COMING UP SEPT. 19

The Steak Fry, Friday September 19th, prior to the Entertainment Night Show, is one of the Tarettes' longest and most popular traditions. MaryLouise Alving is already planning the fabulous meal she will prepare. Many helpers are welcome both Friday and Saturday. Contact MaryLouise (moonrivertwo@msn.com or 206-522-8302) to lend a hand. You will have a great time.

WOMEN'S INTERCLUB COUNCIL LUNCHEON OCTOBER 1

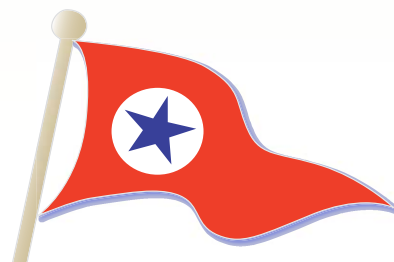

Tacoma Yacht Club Shipmates are hosting all Grand 14 clubs for the first luncheon of the season. Vice President Becky Garvie will have the pertinent information and sign up sheet at our general meeting September 9.

It will be an innovative, lively year!

Along with the Tarettes officers, Vice President Becky Garvie, Secretary Joanie Preusser, Treasurer Dorothy Dubia, and Trustees, Vivian Johnson, Sisteer Lentgis, and Debbie Foote, I invite you and welcome you to the new wave of Tarettes.

It is going to be an innovative, lively year!

—Margaret Krows, Tarettes President

SUNSHINE REPORT

During the month of June cards of encouragement were sent to Mickey McPherson, Misti Allison and Fran Farber. July has been a quiet month; or since I'm new on the job, people didn't try to contact me (chrismc38@comcast.net or 425-743-6463). We don't get summers like this very often. Hopefully our fabulous weather has helped lift everyone's spirit. — *Chris McCroskey*

2014-15 DUES ARE DUE

Here's a gentle reminder that your 2014-15 Tarette's dues are now payable. We will be striving to broaden our skills as boating women in the coming year in addition to cherishing our historic roles as social and philanthropic leaders. Should be fun!

The dues are \$25 for regular members and \$10 for life members. Dues received by Oct. 1 will assure your listing in the upcoming roster.

Has your address, phone number, or email changed? Or, are you brand new? Please be sure to make a note when submitting your dues so we have correct information for the roster. Make your check out to Tarettes and send to Dorothy Dubia, 7001 Seaview Avenue NW, #160-20, Seattle, WA 98117. (Please note: this address is different than the one in the roster.) Join us! You'll be happy you did!

THANK YOU!

Iwish to thank you for the beautiful ruby necklace that was presented to me at the June meeting for my 16 years as *Tattle Tale* editor. I met so many of you because of being the *Tattle Tale* editor, and we have become good friends. I think my reward for being the TT Editor was the friendships I have made over the 16 years!

Thank you all. Love and hugs,

—*Stephanie Weiss*

BOWL AND A ROLL ON SEPTEMBER 17

EXPLORES PERILS OF *THE LIFEBOAT*

It is the summer of 1914 and Europe is on the brink of war, but Grace Winter's future finally seems secure as she and her new husband set sail for New York. When a mysterious explosion sinks their ship, Grace is thrust into a lifeboat by a quick-witted crew member.

As the weather deteriorates and the passengers are forced to choose sides in a brewing power struggle, Grace realizes that her survival could depend on who she backs. The book begins as Grace is on trial for murder. What happened?

You'll find out by reading *The Lifeboat* by Charlotte Rogan and enhance your enjoyment of the book at the Sept. 17 gathering of the Bowl and a Roll book club at 6:30 PM on the second floor. Dorothy Dubia (206-300-2933/LDDubia65@msn.com) will provide the soup and rolls; you provide your insights and comments on this book, which has been hailed as a "page-turning novel of hard choices and survival, narrated by a woman as unforgettable and complex as the events she describes." Just let Dorothy know you are coming.

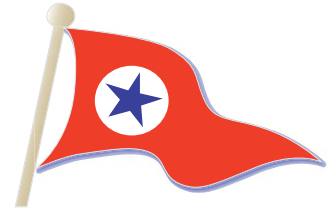

CHANGE IN E-MAIL ADDRESS

For those of you submitting items for *The Bilge Pump*, you may have noticed that the e-mail address for the editor shown on the address page, bilgepump@queencity.org, has been changed to my personal address, farafield32@msn.com. This was done because the editor often had trouble accessing the bilgepump account. A number of contributors have been sending their submissions to both addresses. Kyle Bixby has arranged for any messages sent to the bilgepump address to be forwarded to my personal address. The result is that I receive two identical messages in my personal account. The editor suggests that all submissions be sent only to my personal address.
