It could cost as little as \$1750.00 the first year to join Queen City Yacht Club.

How does this work?

Example:

Year one: You pay \$1750.00 (This is first year's Club dues, plus \$1000.00 payment towards your initiation fee.)

Year two: You pay \$750.00 dues, + \$1000.00

Year three: You pay \$750.00 dues + \$1000.00

Total initiation fee is \$3000.00
Current annual dues are \$750.00

Of course, if you prefer, you can choose to pay the full initiation fee at time of application. (Major Credit cards gladly accepted)

Affordable Moorage!

Queen City Yacht Club is known to have *THE* most reasonable member- moorage rates in the Puget Sound area.

Moorage is assigned to members on a seniority-based system. New members can generally expect to wait a few years before being eligible for a permanent slip assignment. There are opportunities for “winter moorage” at Eagle Harbor, and temporary, “sublet” slips, in Seattle which become available more quickly.

When you join QCYC you are assigned a member number. Your new member- number will determine your spot on a waiting list appropriate to the size of your boat. The lowest membership number on a given list is offered moorage first, as it becomes available.

It is customary to expect to wait as little as five years for your first moorage assignment. Often, the larger the boat, the longer the wait. It is not uncommon for members with boats under 35' to be assigned much sooner than the full five years time.

Reasonable moorage cost is a big benefit of membership at Queen City Yacht Club! The Club bills moorage members quarterly.

Covered Moorage = \$15.27 per foot, per quarter.
Open Moorage = \$11.16 per foot, per quarter.

Example rates:

30' open moorage would be: \$334.80 qtr. Or, \$111.60 per month.

39' covered moorage would be: \$595.53 qtr. or, \$198.51 per month.

Note: Charges for dockside electricity are at owners expense and not included above. For complete Moorage rules check QCYC by laws, or with Club Moorage Chairman.
