YACHT CLUB

Boating is only the beginning of what makes QCYC a special place for you and your family. This Club is about having fun! Whether it is one of the major Holiday weekend celebrations at the Bainbridge Island Outstation, a Friday night dinner social, one of the many Fleet Captain's cruises in Puget Sound or BC Canada, or a lunch with friends at the weekly "Friday Lunch." There is always something fun to do at QCYC. Our member volunteers work together to plan the events and entertainment, and even put on an apron to barbeque at the grill or help in the galley with dishes. No matter your age, whether you have a smaller cruiser or a megayacht, you and your family are part of our Queen City Yacht Club "family."

Moorage

Queen City offers 229 slips up to 65' exclusively for members. There is guest moorage for non-moor-ing members and reciprocal moorage for members of participating clubs, visitors from other clubs are always welcome. For those interested, the club offers a limited number of winter moorages in Eagle Harbor while waiting for your permanent assignment at the Instation. Our current moorage rates for QCYC members are among the most affordable in the area!

Outstations

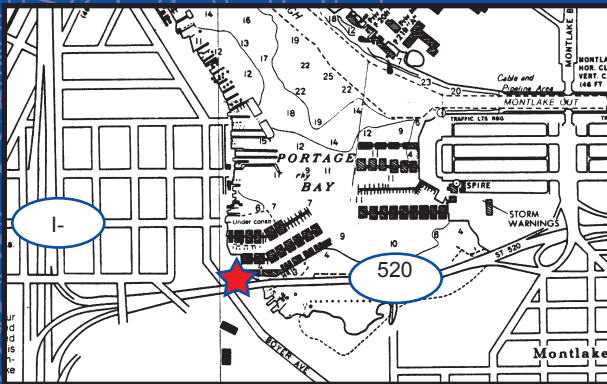

The Bainbridge Island Outstation is an excellent place to enjoy peace and quiet or social hours with friends and family. Located on the shores of Eagle Harbor, club members participate in the Bainbridge Fourth of July Parade, and enjoy golf, walking, dining out, shopping in the many stores or just relaxing in this beautiful setting.

The Deer Harbor Outstation, located on Orcas Island, provides 130 feet of dock space for club members. The facilities of Deer Harbor Marina Resort are available for use on shore.

Our Ganges Marina Outstation has 140 feet of dock space. It is located on Saltspring Island, BC and is an ideal stop in the Gulf Islands. Ganges is the hub for the local arts with many galleries, shops, restaurants, pubs and provisioning available.

Clubhouse

The clubhouse (pictured on the front) is the home base for a busy schedule of activities. It is also available for rent to members for personal use such as weddings, graduations, etc. Groups of up to 225 can be accommodated.

A major, two million dollar-plus renovation of the Clubhouse was completed recently. The result is the beautiful facility we enjoy today. Perched above our 229-slip moorage, our Clubhouse stands proudly overlooking Portage Bay as a testament to the spirit and dedication of our members. Queen City Yacht Club is debt-free, and self-supporting. Hands-on efforts of volunteer members help maintain the house, docks and grounds.

Activities

An active cruise schedule for both power and sail is a priority at Queen City. The Club sponsors the annual First of Season, and Eagle Harbor, Predicted Log race, and members are active and successful participants in many of the other log contests held in the Northwest, West Coast and Nationally. The Regatta Sail group joins in local races, as well as teaching safe boating and sailing in the Club's Junior boating camp program each summer. Club officers ride in the Fourth of July parade on Bainbridge Island each year.

QCYC is at the "heart" of the annual Opening Day festivities each May, with a weeklong slate of celebration, including dinners, dancing and entertainment.

Our members especially enjoy the Friday Night Socials, which are casual, themed dinners with an accent on FUN. Our cocktail lounge is open for most events as well as weekly Friday lunches. Special events include our decorated Christmas boat parade, the Chet Gibson Memorial, and the Special People's Cruise. There are also other Queen City activities and organizations that encourage involvement of the whole family. For example: The Tarettes is a spouse's organization that provides additional social and charitable opportunities for Club family-member participation.
