of the Queen City Yacht Club

VOLUME 80, NUMBER 7

JULY-AUGUST 2015

## COMMODORE'S REPORT

JULY, 2015

The Dock 1 Extension project is complete. It has been a tough journey to get the permits and everything in place and I'm glad P/C Bob Myers stuck with the project until it was complete. It made my life much easier. We now have two more 60' open slips and two more 40' open slips to add to our marina.

The Old Timers' Cruise was a memorable event. Thank you, Gerald Fey, for organizing the event and to David Silver and Rear Commodore elect John Hieber for providing the boats for the cruise. The bartenders were spot on with cocktails for all as we cruised Lake Washington and discussed how the members that came before us have sculpted the club into what we have today. Thanks to all those members for the foresight and tenacity to make Queen City Yacht Club what we enjoy today.

The Big Brother's cruise was a hoot. More than a dozen boats from Bremerton Yacht Club were welcomed to our outstation in Eagle Harbor for fun and frivolity. They were greeted by a plethora of Queen City Yacht Club members and fun was had by all. Thank you, "Not So Fleet Captain" Chuck Gould, for a wonderful time.

Richard McGrew

The months of July and August bring us:

- ★ Fourth of July Cruise, by P/C George and Nancy Austin, July 3rd – 5th
- ★ July 5th, the first day of summer in the Pacific Northwest.
- ★ Fleet Captain's Mini-Cruise South, by Chuck Gould, July 5th -10th.
- ★ Fleet Captain's Cruise North, by Chuck Gould, August 14th-23rd.

Please see the Queen City Yacht Club web page calendar for the most recent events and dates.

Have a safe and enjoyable summer, cruising or just relaxing on your boat. Remember to live, laugh, love, repeat.

Still proud and happy to serve, the McGrew Crew is here for you.

—Dick McGrew, Commodore

## VICE COMMODORE'S REPORT

Summer is upon us, with many boats off cruising judging by the empty slips as well as the sublets in place. Members have cast off to far off destinations such as Alaska to the north and more adventurous

places like Andrews Bay to the south. Well I guess it is just a matter of viewpoint.

As a follow up on some of our business items: we now have a contract in place for the redevelopment of our website. As part of this redevelopment we would like to break down the existing processes, which had most functions funneling through one person. We have identified a number of roles that would be best served by having more direct member input to the website. If you have an interest in participating please let me or Gerald Fey, our webmaster, know. During our recent member survey, out-of-date content was identified as the number one member concern. The best way to address this is by dividing the tasks and distributing the input. Your assistance as we go forward would be greatly appreciated.

This is just a final reminder that your annual vessel registration is due. Please place the new decal on your boat if you have not done so. Not only can you be stopped if you are on the water without a current vessel registration but it is a sign to me and the moorage committee that the boat is not being used.

By now the Big Brother's Cruise is behind us and we will soon be in the middle of the 4th of

July weekend. We plan on making both events. One of the major joys of going through the chairs is to participate in the Winslow 4th of July parade. This will be my second time. Shirley has done it several times because she was the Tarette treasurer for several years. All the activities on the 4th, including the parade, retain the small town feel that makes the weekend especially enjoyable. We hope you were able to make it over.

In closing I hope that you have a safe, enjoyable and trouble-free cruising season regardless of your final destination. Getting out on the water is the reason we boat. We hope to see you in one of those far off locations.

—John Rogers, Vice Commodore

is really a team effort and his first mate Debbie is a significant part of the experience, and together they will be wonderful ambassadors of Queen City Yacht Club.

#### GRAND14

The reason I am mentioning the incoming Rear Commodore is that his first event will be the Grand 14 Cruise-In being held August 7-9 at Bremerton Yacht Club. This is the weekend that all the new Rear Commodores from the Grand 14 yacht clubs converge and meet their counterparts for the first time and become the Grand 14 Class of 2018. It was just one year ago that Michele and I attended this event mostly with anticipation and uncertainty, but it has undoubtedly become a milestone event as we progress through the chairs. So far we have attended 7 Junior Officer's Balls with our counterparts, and in the coming year, as vice commodore, we will attend 7 more.

At the Bremerton Cruise-In on Friday evening only the incoming Rear Commodores attend, as this gives the new class time to get to know one another and start to bond without being overshadowed by their clubs' Vice Commodores and Commodores. Fortunately, the Vice Commodores

and Commodores are not totally excluded, as we will all muster over at Port Orchard Yacht Club on Friday evening for our own little gathering, and then parade over to Bremerton on Saturday morning. By now you have probably gathered that there is quite a party on Saturday evening with all bridge members in attendance.

#### MEMBERSHIP

Even though we are at full membership, we continue to receive and accept new applications. How is this possible? The club by-laws

state that Active Membership may not exceed 400. There is also a by-law provision that enables members that have fulfilled 25 years of Active Membership to be moved to Life Member status, thereby creating an opening for new members. This provision is contingent upon the club being at full membership, and by approval of the Board of Trustees. Both conditions have been met and a limited number of members have moved to Life Membership, enabling us to continue to accept applications.

We continue to receive emails

from interested prospective members and their inquiries have almost always resulted from the positive things they have heard about QCYC. This is something members already know, but to hear from non-members that the word on the street is that QCYC

## OUTSTATION REPORT

**T**wo QCYC boats at the Deer Harbor Outstation: *BarbEric* and *Penguin* were bow to bow on May 20th. This was a nice start to summer cruising!

We visited both outstations as we headed north on our summer trip. We enjoyed our stays at both facilities.

We could see from the webcam, the Winslow Outstation was a busy place Memorial Day weekend. We hear through the grapevine it was a great success!

Safe boating

Our new carpet got a shampoo on the 2nd floor June 16th. It was starting to show some bad stains. When dining on the 2nd floor, try to avoid accidents. We want to keep the carpet looking good to celebrate our 100 years.

# Tarettes' Corner

## PRESIDENT'S REPORT

**H**appy cruising! The weather is so glorious! I came back from a week long in the South Sound. What a gracious and beautiful area... and deserted! In most of the places I visited my boat was the only boat. If you have a chance to go on the South Sound Cruise with Chuck and Jan Gould, do so. It is so relaxing and the scenery is breathtaking! I saw a pod of orcas. Plenty of eagles, and dolphins escorted me to a harbor. I watched the raccoons foraging for breakfast on Blake Island: it was a wonderful trip.

Welcome back to the snowbirds: it's always nice to have a full house.

Last month we had the annual Dock Party in addition the Taco and Tequila dinner. The Tarettes received the funds from the open bar and we made a couple hundred dollars! Thank you for stocking up on your bar tickets. Your support is appreciated. And thanks to Andy for being so generous and letting us keep a percentage of the bar tab! A huge thank you to Diane Prestebak and all the work she did to make the dock sale and the dinner a success. The Tarettes made \$905.05 on the sale! This was Diane's last year for the sale: she has been putting on the sale for the past six years and is going to retire. Thank you,

Diane, for all your years of service. Your dedication and hard work are most appreciated!

2015-2016 leadership is President, Becky Garvie; Vice President, Joanie Preusser; Secretary, Dale Ward; Treasurer, Gayle Frisch; and the Board members are Margaret Krows, Mary Jo Svendsen and Shirley Rogers. I thank the outgoing board and Margaret for your support during the past year. But the most important thing Margaret did was to revise the by-laws. WOW what an accomplishment! They are now in line with our organization, simplified, and will make the navigation of issues for the club so much easier! Margaret's theme last year was to enrich our identity as boating women. We planned educational events and some outings. This coming year I will continue with Margaret's vision and have boating educational themes, mixed in with some fun stuff! I will be setting up a Facebook account for the Tarettes so we can keep in touch with what's going on.

This year we're into baskets, substantial baskets. There will

be a basket that will appeal to everyone! For the 4th of July we will have two baskets, "a picnic for two," featuring a back pack with picnic supplies and "Let's go Crabbing." The crabbing basket will feature two crab pot setups and everything for crabbing! Raffle tickets will be for sale at Winslow.

Tarettes' dues, \$25 for general membership and \$10 publication fee for life members who wish to receive printed materials, need to be paid by September 1. Please send payment to Treasurer, Gayle Frisch, 15018 SW 47th St., Bellevue, WA 98006. If there has been a change in your contact information, please advise Gayle as well. We want to make sure that all of our records are current.

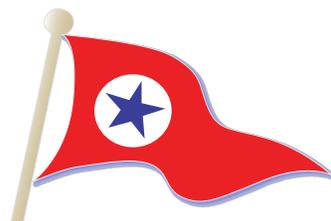

Thank-you and have a wonderful summer.

—Becky Garvie, President

## NEW MEMBERS

Three ladies have joined the Tarettes in the last month, Dale Ward, *Fantome de la Mer*; Peggie Evans, *Double Portion*; and Mary O'Brien, *Doug*. Welcome aboard and thank-you for supporting the Tarettes. We look forward to getting to know you.

### SUNSHINE REPORT

Hopefully calls and cards sent to Tarettes who are in sorrow or going through a difficult time have provided a ray of "sunshine." Joanie Preusser's mother died on June 3 from double pneumonia. This is the second enormous loss to Joanie in a little more than a year's time. Margaret Krows and her family have just lost her sister, Pat, who had stage 4 cancer. Laurean and Bob Myers' love in action for their son, Jason, cannot be easy. Often we cannot change health issues or sorrow that is part of life, but we can be supportive through our love, prayers and actions.

—Sunshine Chair Christine McCroskey

### ATTENTION MOORAGE MEMBERS!

## Yard Sale Thanks!

Once again on June 6th we had a successful yard sale followed by Tequila & Taco Night.

We had 11 tables plus five Tarette tables selling everything from boat to house treasures that found many good homes. We served 93 delicious meals. Thank you to everybody that donated items for the Tarette tables and to the members who attended this fun event. Thank you to the following volunteers who helped make this such a success.
